**Re: Notice on Suspension of Issuance of Trekking Information Management System (TIMS) Card to Prevent COVID-19**

COVID-19 has turned out to be a global pandemic. At this moment of crisis and following the series of decisions of Government of Nepal to prevent possible spread of COVID-19 in Nepal, Nepal Tourism Board has decided to suspend **Issuance of Trekking Information Management System (TIMS) Card** for the trekkers for various trekking areas in Nepal. Hence, all the TIMS Card Issuance Counters shall remain closed effective from 12:00 pm local time, Friday, March 20, 2020 until further notice.

We hope that the strict precautions to be taken by all the public, concerned stakeholders and incoming foreign travelers in Nepal will further help the decisions of Government of Nepal to prevent the possible spread of this global pandemic, COVID-19 in Nepal.

Thank you for your co-operation.
